

# TASK EXECUTIVE

## Pepi Mesh

Pepi Mesh has been designed with comfort and convenience in mind. The combination of a stylish and breathable mesh back with ergonomic features and easy adjustment make Pepi Mesh ideal for the fast paced work environment, meeting needs and requirements of the individual user. Pepi Mesh offers simple yet stylish design at an affordable price – ideal for the modern workplace.

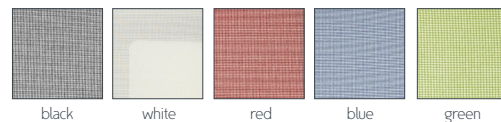

Now available with new armrest and a new synchronised balance mechanism with self-weight adjustment for even easier adjustment. In addition, we have also introduced a variety of mesh colours for the backrest.
