

MULTI PURPOSE

Moka

Moka is a elegant multi-purpose chair which can be used as a cafe or bistro, meeting, conference, breakout or side chair. Moka offers great flexibility and style. Moka's sleek but soft profile is available either fully upholstered, with an upholstered seat pad or just the slim wooden shell. Choose between a white HPL or beech veneer as standard. Moka offers a range of different frames: Four leg wooden frame (solid beech), polished chrome rod frame, polished chrome four leg, polished chrome bar stool frame or swivel five star base on castors. Add slim tubular metal arms which are available with a choice of coloured arm pads to suit seat shell or upholstery.
